

ARKADELPHIA FIRE DEPARTMENT

610 Caddo Street • Arkadelphia, Arkansas 71923 • Ph: (870) 246-9354
Chief Jason Hunt

Acceptance of Burning Regulations and Release of Liability

The following shall be adhered to at ALL times:

1. All burning shall be conducted after dawn and extinguished before dusk.
2. No burning shall take place on land without written permission of the land owner or agent.
3. No burning shall be conducted on days when the wind speeds are exceeding 15 miles per hour.
4. Every day before each burn, determine if any air quality restrictions exist by calling the Arkansas Dept. of Environmental Quality at 501.682.0744.
5. No burning shall be kindled or maintained within 50 feet of any combustible structure.
6. Fire shall be under constant attendance until extinguished.
7. Water supply shall be present for extinguishment of burn area.
8. The materials to be burned shall be in piles no larger than 4 feet in diameter and 3 feet in height.
9. Material being burned shall not, under any condition, cause a dense smoke or odor.
10. If a complaint is filed with any entity of the City of Arkadelphia, the applicant may be required to extinguish the fire. Fire personnel will assist the applicant with extinguishment, if necessary.
11. Applicant is required to notify the Arkadelphia Fire Department at the start and completion of permitted burning each day by calling 870.246.9354.
12. Applicant shall be responsible to keep burning under control at all times.
13. The applicant shall be responsible for Fire Department suppression cost as well as any property damages sustained by others.
14. The Fire Chief/ Fire Marshal may prohibit any fires when circumstances may be hazardous
15. The following **shall NOT** be burned:
 - Garbage from food preparation
 - Tree trunks & branches larger than 4" in diameter
 - Treated, milled or dimensional lumber
 - Trade waste (commercial, industrial, or construction)
 - Motor vehicles or any material resulting from a salvage operation
 - Asphalt, composition roofing or similar materials
 - Tar, tar paper, petroleum products, plastics or paints
 - Insulated wire
 - Dead animals or animal waste
 - Hazardous or pathogenic waste

I agree to the terms outlined above and shall not hold the City of Arkadelphia liable for any damage done by any fire started or conducted by me or my designee.
