CALL TO ORDER AND APPROVAL OF MINUTES

The meeting was called to order by Bill Fowler, Committee Chair. Dr. Miles requested a correction to the minutes from March 14, 2012. Under the Audit Report topic, change the word "question" to "asked about." Dr. Miles made a motion to accept the minutes with the correction. The motion was seconded by Greg Stubblefield. The motion passed.

ROUTINE BUSINESS

- Manager Gills informed the Committee of a letter that several customers in Arkadelphia have received from a company wanting to sell a maintenance policy on their water service lines. She assured the Committee that the company trying to sell the policy is not endorsed by the water utilities.
- Eleven employees attended the recent state AWW&WEA water conference in Hot Springs to maintain the training hours needed for water and wastewater license renewals. Armando Munoz placed first in the dump truck division and Ryan Arnold placed third in the back hoe division in the "Rodeo" competition.

With no further business to discuss, a motion was made by Karen Wieman, seconded by Dr. Miles to adjourn. The meeting adjourned at 12:25 p.m., followed with a tour of the city's oxidation ponds. David Thomason, Wastewater Superintendent, explained the Lemna system and the processing treatment before discharging into the river.
